Attn: Decision and Certificate of Correction
Branch of the Patent Issue Division

Dear Sir:

In reply to the decision dated June 28, 2007, regarding the Request for Certificate of Correction filed on June 21, 2007, and pursuant to the Patentee's teleconference with Examiner Henry Randall on July 31, 2007, the Patentee requests reconsideration of the request for a Certificate of Correction.

In this regard, the title of the above-identified patent was amended via the "Reply to Office Action" dated September 6, 2006, to read "Transductin-2 and Applications to Hereditary Deafness," which amendment was subsequently entered by the Examiner (see "Notice of Allowance and Fee(s) Due" dated September 20, 2006). The above-identified patent did not issue with the amended title. It is requested that a Certificate of Correction be issued to correct this error. Attached hereto is a Certificate of Correction, which indicates the requested correction.

It is believed that there is no charge for this request since the applicants were not responsible for such error, as will be apparent upon a comparison of the issued patent with the application as allowed. However, the Commissioner is hereby authorized to charge any fee that may be required to Deposit Account No. 12-1216.
